

NOTICE

Per Valley Golf Guidelines on Tee Times:

2. Absolutely NO WALK Ins, advanced booking tee off time required.

The reason for this policy is to ensure social distancing and to discourage mass gatherings. If there are still tee times available on the day you wish to play, a MEMBER MAY, call/text/viber to registration and confirm what/if any, tee times are still available on that day, and be assigned the tee off time. NO ONE should be coming to Valley Golf, at this time, without a confirmed tee time, see the guideline #2 above.

Reception will be guided to disallow tee times being issued to anyone "walking in" in conflict with our written guideline. NO ONE may play without a tee off time. Remember, the purpose of the guidelines is two-fold:

First, to protect your health and safety.

Second, to ensure compliance with IATF guidelines on social distancing.

Immediate cooperation is necessary and expected.
