GENTLE REMINDERS

For everyone's safety and well-being, please be reminded of some guidelines we are following:

1. Caddies are in a forecaddie role and should not touch any of the players equipment.
2. When in close contact with others, please be sure to wear mask, and when necessary face shield.
3. Sharing of golf carts, and even equipment on a golf cart should only be among immediate family members in the same household. Starters and marshals must ensure this is practiced.
4. Please do not change table and chair configuration designed to maximize social distancing.

Whereas we hope that an effective vaccine is on the way in the foreseeable future, it is not here yet, but the virus still is. Following these necessary guidelines will help to keep everyone safe and ensure that Valley Golf remains open for your health and enjoyment.

Announcement

Dear Members,

The reason Valley Golf has implemented a tee off time system upon the advice of NGAP and IATF is to ensure proper social distancing upon arrival, check-in/registration, and at the first tee. For this system to be effective, it is incumbent on members to follow the tee off time schedule. If you choose to tee off whenever you want rather than per schedule, proper social distancing is not possible.

Therefore, management issues this polite reminder that we will and must follow the tee off time schedule. Starters will be reminded that they must implement by tee time schedule to ensure the health and safety of everyone. And members must heed the advice of the starters and marshals.

Announcement

Dear Valley Golf Members,

Due to the pandemic, it is projected that most members will not travel during the coming Holiday season. Therefore, to ensure greater access, from Monday, December 14, through Monday January 4, both North and South Courses will remain open every day. The South will not close for maintenance day until Monday, January 11.

Thank you.

Announcement

Dear Members,

To ensure everyone has smooth and equal access to our Online Tee Time reservations system, please be aware that any member or assignee (ie. Secretary, Personal Assistant, Spouse, Child etc...NOT to include any employee of Valley Golf) that the member will allow to make tee time reservations on their behalf, may avail of tutoring from our IT or S&G staff. Please contact our team to arrange per your convenience.

Thank you.
