ANNOUNCEMENT

September 22, 2022

Management is reminding all members to comply with our rules on replacing carts after use. Please bring private and rented carts to the assigned depository area by the members parking area as announced last August 12, 2022. By complying, the safety of members will not be compromised and there is less chance of damage to the carts. In this way, more member's and guest's vehicles may also be accommodated in the parking area.

Management may impose sanctions to inconsiderate members who will not comply.

Announcement of August 12, 2022

"It has been noticed that private and club owned golf carts have been parked haphazardly in the members and guests parking area after members and guests have completed their rounds. Your management decided to designate an area in the parking lot to be used as a depository for the golf carts after play. This is to ensure the following:

- A. To protect the carts from getting damaged*
- B. To maximize parking slots for members and guests*
- C. For the safety of members and guests.*

We encourage our members and their guests to deposit their carts in the designated area after their rounds. It will be clearly marked."

Thank you.

ANNOUNCEMENT

September 21, 2022

This is to inform all members that effective immediately, we shall accept GCASH payment on all outlets. The "No Cash Transactions" on all the F & B Concessionaires in the Main Clubhouse, North Clubhouse and Tee Houses are still in place. Members have the following options:

1. Members may charge their consumables through their account by using their Members Passcard.
2. Members who insist in paying Cash may purchase the F & B Consumables Coupons (color coded Green for Members) at the Registration Counter and all F & B outlets. The F & B Consumables Coupons for Members are payable in Cash only and has no expiration date.
3. Members may use GCASH payment in all outlets. Please ask our cashiers / attendants for the QR code.

Thank you.
